

Cold Outreach Scripts

Cold = They don't know you.

Script 1

Hi, I noticed your business page doesn't have short-form video content/website yet. I help businesses create AI reels/ website that attract more customers. Would you like me to show a quick example?

Script 2

Hello! I came across your business online. I help brands create viral AI reels / website that increase engagement and bring more leads. Can I show you a sample I made?
